

BLUE MOUNTAIN COLLEGE

GATEWAY

Does your son or daughter have a career in mind? If so, then in 2010 the Gateway Programme may be the right subject choice.

The Gateway programme is

- open to Year 12 & 13 students (in 2009)
- a prestigious academic and vocational programme for seniors
- providing excellent career results for students
- a way to start a career while continuing a full programme at school
- an opportunity to increase learning options for motivated students
- a structured workplace learning programme with real outcomes
- 100% funded by Tertiary Education Commission
- able to provide all training, materials and qualifications at no cost to the student
- an opportunity for students to gain Level 2 & 3 standards towards NCEA and industry specific qualifications
- not a work experience programme
- able to offer credits in almost any vocational area, eg hospitality, automotive, electrical, hairdressing, early childhood, building
- limited to 15 students
