Special thanks must go to Allanah White, Michelle Roberts, Ashleigh White and Alice Crawford for Umpiring the Netball games. \

Also thanks to Craig Tomsett (Soccer), Lennox Crawford (Rugby), Dave Goble (Basketball) and Kevin Broad (Basketball) for Refereeing/Umpiring all these games.

To our Medic Mr Isteed thank you for attending to all injuries.

Here at BMC we are fortunate to have such experienced Coaches and Referees that are prepared to help out and play a vital part in the success of our Exchanges.

The wonderful afternoon tea is credit to all the wonderful parents who support their child and BMC.

Bayfield departed at 3pm en route back to Dunedin.

Overall we played 6 games and at the end of the day it was a 3 all draw.

On the 11th August 8 pupils from Blue Mountain College took part in the Get 2 Go Otago/Southland Youthtown Challenge.

The students were Zoe Hancox, Brooke Woodrow, Sarah McKee, Rhiann Knowles, Ryan Bradley, Ryan Duff, Mason Calder, Cody Bain.

These 8 students had practiced through Term 3 each Friday on each of the events.

They each had to Kayak, Orienteer and Mountain Bike.

In the Kayak section they scored 7 (scaled 70) and were 10th, the Orienteering section they scored 235 (scaled 52) and were 7th overall, then the Mountain Bike they scored 33 (scaled 83) and were 11th.

Overall their total was 205 points and they gained 10th place out of 23 teams overall with Fiordland College taking out the Otago/Southland Region on 264 points.

Well done to these students and to Mr & Mrs Venz for taking them and to all the parents that helped with transport.

Well done Emily this is a NZ competition only done by the best!

South Island Junior U15 Rugby Tournament

On Sunday the 29th August the Blue Mountain College Under 15 Rugby team left in 3 mini vans en route to Christchurch to play in the South Island Junior Under 15 Rugby Tournament.

They stayed in the Blue Skies Convention Centre and Coaches were Noel Heffernan and Pete Davies with Managers Richard France and Murray Adams.

The team of 23 boys was as follows –

Gavin Stark	Garth Devereux	Elliot Hancox
Matthew Easton	Ramon Turipa	Adam McIvor
Jackson France	Josiah Brough	Stephen Barclay
Matthew Heffernan	Tyson Adams	Sean Windle
Stephen Perry	Ryan Bradley	Lee Stiven
Ethan Pryde	Sean McElrea	Richard Scoles
Kendall Erickson	Matthew Varcoe-Kempthorne	
<u>Lawrence</u>	Tom Blackmore	Bryan Cabuyao
	Watson Cheyne	James Haig

On arrival at the Mandeville grounds at Ohoka it was evident that there had been bucket loads of rain. The Rugby grounds were awash with huge puddles which quickly became a slurry of porridge, putty like mud.

Fortunately Mr Davies had the insight to purchase a new tent for BMC and this was erected and the boys kept their gear and themselves in under shelter.

St Peters was the first game on Monday morning but the boys were asleep letting in 2 quick tries against them and a heavy penalty count in the first 10 minutes. The final score was down to St Peters 7-24. The boys went back to the Convention Centre to clean up and change into fresh Jerseys. That afternoon they played Verdon College from Invercargill and our boys were determined to win – comfortably winning 33-12. Tuesday saw them up against Nayland College from the top of the South Island. The BMC boys took no prisoners demolishing them 36-0 then again against Central Southland in the afternoon 20-0. These two performances saw the team up at 3rd place and proceed to the Semi-finals on Wednesday. St Peters were second which drew the BMC boys once again up against St Peters. This game could have been anybody's with both teams up and down the paddock several times. The forwards worked hard on the slurry, slippery surface and Gavin Stark scored a try in the second half with the final score to St Peters 7-10. St Peters then went on to win Division 2 against Mt Aspiring 15-7 and our boys gained a credible 3rd placing out of 13 teams. The boys returned home on Wednesday 1st August.

Special thanks to the 4 men for Coaching and looking after the boys. Also to all the Parents that contributed food and helped do the big wash when we returned.

Major Sponsors – DB Contracting, Dusky Electrical and Dusky Plumbing
Thankyou from all the boys – the bags were awesome and your donation was very much appreciated.

Lincoln University South Island Secondary School
Netball Tournament

The South Island Secondary School Netball Tournament was played at Blenheim from 30th August through till 3rd September.

The team was Coached by Mrs Alwyn Stiven and Janine Venz with Tina Tivizi as Manager. They flew from Dunedin up to Wellington, back to Nelson driving across to Blenheim.

<u>The team was -</u>	Avana Miller	Kate Stiven
Laura Smith	Leah Gardyne	Ashleigh White
Rachael Corlett	Josie Mariu	Alice Crawford
Sinead Cormack		

On Monday they lost to Verdon College 12-31 and Gore High School 19-32. Tuesday they had another 2 tough games against Southland Girls High School 23-25 and Christchurch Girls 13-37. On Wednesday they lost against James Hargest 21-25 then losing against a strong Motueka team 24-30. The playoffs were held on Thursday with BMC recording a loss to Nayland 19-26 first up but then recording their first and only win in the last game against Cashmere 28-26. Overall the team were very unlucky to not gain a win earlier in this Tournament which now leaves them in relegation next year back down to B Grade after coming 31st out of 32 teams.

Congratulations to Alwyn Stiven who has been an outstanding Coach and has indicated her retirement from Coaching the A team. Such a stalwart of BMC Netball will be hard to replace.

NZSS Indoor Bowls Championships

The NZSS Indoor Bowls Championships were held at the North Wellington Indoor Bowls Hall at Titahi Bay in Wellington on 29th – 30th August, 2010.

On Sunday the 29th August both Tony Johnston and Dean Baxter competed individually in the Singles event. They had to win 2 and a half games (2 and a draw) to qualify for the main event.

Tony played Mathew Frame of Roxburgh Area School in the first round winning 17-6. In the second round he played Craig Millar from Matamata College (winner of the NZ Junior Singles), held the previous day, and lost 5-19. The third round saw Tony easily beat Ben Tromp of St Patricks with Tony only allowing Ben 1 point. Tony had a Bye in the 4th round with the 5th round he secured a close win against Kayne Bell of Kaitaia College finishing his 6th round again with a Bye. Having won 3 out of 4 games this then qualified him for the main event.

Dean started his day with a Bye then defeated Alex Rolleston of Kaitaia College in the second round. Jessica Lochrie of Freyburg High School beat Dean in the 3rd round he had his second Bye in the 4th round. Taylor Gilmer of St Patricks Silverstream was defeated by Dean in Round 5 with a huge win against Sharif Heke of Roxburgh Area School recorded Deans' a win in Round 6. Having also won 3 out of 4 games both Tony and Dean qualified for the main event.

Unfortunately Dean and Tony were drawn to play each other in the first round with Tony edging out Dean by 2 points to secure the win 14-12. Tony then went on to play Alex Reed of Tauranga Boys High School and in the second last end was 2 points up. The last end was a nail bitter with Alex gaining 3 valuable points to topple Tony by just 1 point.

Both boys competed in this event last year but did not qualify, although Tony was second in the Plate section. This year they both qualified which put them in the top half, whilst Tony went one round further to make the Top 16 out of 53 competitors.

In the pairs on Monday Dean skipped while Tony lead. They played 2 Roxburgh Area Schools teams in the first 2 rounds beating them by a large margin. In the third round they beat Waimea College before finishing the qualifying section with a close win up against Newlands College (won all 4).

In the main round they beat a team of 2 girls to go on to the quarter finals. They lost 6 points in the first end and lost the game 6-12.

Both boys had a great time in Wellington, with a day trip to Masterton to visit relations, Go Karting, Ten Pin Bowling, Mini Golf and a trip on the Cable Car to visit Te Papa.

Well done to both boys for fundraising by selling Cadbury Chocolate, Scratchie Raffles & hold a Cake Stall. The MLT also helped with a grant for travel.

SPARC SPORTS AMBASSADOR
BARBARA KENDALL

At 11.30am on Thursday the 16th September Mrs Stark took Marcus Devereux, Dion O'Leary, Cherise Thomson and Tessa McCall through to Dunstan High School to hear Barbara Kendall speak.

Barbara spoke on Goals "Set Goals that are almost out of reach". They need motivation, to make plans, provide direction and have a sense of confidence with success".

SMART was a term she used -

S - Be specific (focus), M - Must be Measurable (time), A - Must be Achievable (dream, steps), R - Realistic, T - Timeframe

She spoke on "Learn about who you are" (Visual, Auditory, and Kinaesthetic) and to have respect for themselves and others.

She began with finding out which animal you were by circling the way you feel on paper which the kids all enjoyed.

There were the Playful Peacocks who had High Talent but Low Attitude, Leader Lions with High Talent and High Attitude. There was also the Retriever Dog who were Low Attitude and Low Talent then Wise Owls with High Attitude and Low Talent.

She asked the students to discover what they are passionate about as Passion = Energy = Motivation. Most people who fail in their dreams fail from not lack of talent but lack of commitment.

Barbara also spoke of her achievements and the commitments she had to make to reach her sporting goals. Her goals throughout life were inspirational and she was her bubbly, witty personality was full of energy. Towards the end she took all the students, turned on a CD and taught them some Ball Room dancing. They all thought this was great and although embarrassed they had to take part, listen to instructions and participate to the best of their ability.

She was a fantastic highly motivating Ambassador for SPARC and I will encourage any kids to go and see her in the future.

Kiwisport Golf

Sport Otago combined all Schools in South and West Otago to apply for funding to teach pupils the fundamentals of Golf to Primary School pupils.

This opportunity was offered to Year 8 pupils and each student was asked to pay \$8 to cover all 3 lessons plus the final Tournament.

All 8Cr participated and only 4 from 8Ek chose not to pay and participate.

The first lessons were held on Friday 3rd September in both Period 4 & 5 holding two sessions in one day. Due to bad weather these lessons were held up in the Tapanui Community Centre with Ronni Davis. The snow caused buses to leave early so students had to withdraw from the last session.

The third lessons on Thursday 16th September were split in to two 35 minute sessions with 8Cr first at 11.15-11.50 followed by 8Ek from 11.50-12.25.

The last session and Tournament was to be held up at the Tapanui Golf Club on the last day of Term 3 however the snow prevailed and it was postponed until Friday 15th October.

All the students really enjoyed these lessons and thanks must go to Sport Otago and Golf personnel who helped at the Tournament.

This Kiwisport Golf was a huge success and there certainly is huge potential amongst some of our Year 8 pupils particularly the 3 boys that won Corey Thomson, Luc Purser and Cameron Peat.
